Sir,

I have the honor to state that the Chatram at Chikballapur has been steadily rising in importance under the management of one Dodda Muniappa, the manager and under the supervision of the Dharmadarsis. The capital has been increasing from day to day from the collections of the private subscriptions, and considering the importance of the institution, Government have in their Proceedings No.33-6 dated 7th July 1909, sanctioned a grant of Rs.150/- per annum for feeding the bonafide needy travellers resorting to the place.

2. A sum of Rs.10,700/- has been invested at favorable rate of interest of 5% in the Government of Mysore and Government of India Pro-notes; the interest realised therefrom is Rs.480/-. Hence the total income of the institution at present from the endownments and the sanctioned grant is Rs.630/-.

3. The Dharmadarsis propose that the remuneration to the chatram servants may be fixed at the scale noted in the margin but they plead their inability to fix any scale for the
